

## **WGS course 'Preparing your Veni pre-proposal'**

This programme aims to provide talented postdocs and other promising researchers the skills and competences needed to develop a high quality research pre-proposal to submit within the NWO Veni programme in the domains Social Sciences and Humanities (SSH) and Applied and Engineering Sciences (AES) and at the Netherlands Organisation for Health Research and Development (ZonMw).

NWO has rescheduled the deadline for submitting preproposals for the next Veni funding round (2021) in the domains SSH, AES and ZonMw from September 2020 to January 2021.

What is this course? A competence course to provide you with the skills needed to write a pre-proposal, tailored at the NWO Veni programme.

What this course is not? The course does not provide a complete tutorial leading to an application.

## **Programme**

### **Friday 2 October 2020**

13:00-16:30 Preparing your CV – Caro Struijke

### **Tuesday 6 October 2020**

## **Registration**

### Registration

Please register via the website of the WGS courses: <http://crs.wur.nl>

### Training fee

The training fee is €250 for WU employees and €400 for external researchers.

Information on the course registration procedure and course content can also be found on the WGS courses website: <https://wgs.crs.wur.nl/courses/details/314>

## **Registration deadline: 24 September 2020**

### Information session

An (online) information session on the Veni courses and on the NWO procedure will be held on **Thursday 25 June 2020 from 15:00-16:30**. During the session attendees will receive information on both the criteria and time schedule for the Veni application and the contents and registration procedure for the support courses. If you are interested in attending the information session, please send an email to [vlag@wur.nl](mailto:vlag@wur.nl). We will then send you the technical details for an online meeting or the location for a physical meeting.

If you have any questions, please contact Anouk Geelen, course coordinator at [anouk.geelen@wur.nl](mailto:anouk.geelen@wur.nl).
