*Hyposoter didymator* Ichnovirus; photo M. Ravallec, INRA DGIMI

*Ichneumonid* ovaries; photo M. Frayssinet, INRA DGIMI

+ workshop for HBO, MSc, and PhD students  
**Are Ichnoviruses real viruses?**

WEES is an initiative of PhD students and postdocs at Wageningen University. Every month, an internationally acclaimed scientist in the field of Evolution and Ecology gives a seminar and a workshop for students. For more information see [www.weeswageningen.nl](http://www.weeswageningen.nl). If you wish to participate in the workshop, please contact [info@weeswageningen.nl](mailto:info@weeswageningen.nl).

WEES is financially supported by:
